

T18MZ SOFTWARE UPDATE CHANGES

(Editor Version: 2.5.1 Encoder version: 2.2)

This software updates or alters the functions and features noted below. The instructions and information that follow are meant as a supplement to the original instruction manual that accompanied the T18MZ transmitter. Please refer to the original instruction manual where applicable, but replace the steps indicated below with these instructions. Please note that the software update will be finalized the first time that the T18MZ is powered up, after the software has been applied. As such, it may require a few moments before the Start screen appears. Please check to ensure that the update has been installed.

- 1) Select the System Menu.
- 2) Touch the [Information] button.
- 3) Confirm that the information in the display indicates the Editor and Encoder version numbers as noted above.

1. Improvement of a French language

When a French language was chosen.

French language was improved more than before version.
